Dear Sirs:

In response to the first Office Action mailed December 17, 2004, Applicant provides the following.

Claim Objections – Typographic Errors

20 The errors have been noted, and all claims have been completely rewritten.

TITLE

Change to: Methods for Creating and Playing a Customized Program of a Variety of Sources

CLAIMS

Cancel all claims of record, and substitute new claims 39 to 44 as follows:

- 25 39) A method for creating and playing a customized program while connected to a data communications network, comprising:
- a) providing media reference storage means which is also connected to said data communications network, each media reference providing descriptive information and an address to locate the corresponding media content which is provided by media servers
- 30 which are also connected to said data communications network,
